This is the 7th year of the Officer Bob Gentry Golf Scramble. It is held as a fundraiser in his memory for the Hamilton Safety Town Program. Since his passing, the park has been renamed as the “Officer Bob Gentry Park.” The donations from this fundraiser have allowed for many upgrades to the grounds including restroom renovations, resurfacing of the mock-town, upgrades to the Kettcars, helmets for children, refurbishing the buildings that make the mock-city, as well as painting and landscaping. Your donations allow the program to exist with no cost to the children participating.

You are invited to participate this year in our scramble so that we may continue our support for the wonderful program for the Children of Butler County. There are many ways to participate, you may choose to golf on a team, sponsor a hole, donate items for the raffle, volunteer time, or simply make a cash donation.

We are grateful for any support.

We have volunteer spots open for the day of the outing; if you should choose to volunteer for this very worthy and educational cause.

The Greater Hamilton Safety Council is registered as a 501 (C) (3) charitable organization with donations being tax deductible. Thank you for your time and donations.

The Greater Hamilton Safety Council Planning Committee
