(PLEASE PRINT)

Dear Parent/Guardian:

This summer "SAFETY TOWN" will mark its 52nd season as an asset to the City of Hamilton and the Butler County area. Your child will be instructed by Hamilton Police Officer Kristy Collins in areas such as pedestrian, vehicle, and school bus safety, dealing with strangers, gun safety and fire safety.

We offer weekly sessions with classes beginning on Monday and ending on Friday. These sessions include classroom instruction and driving kett-cars in a simulated village at Safety Town. On Wednesday, The Hamilton Fire Department teaches them about fire danger. Finish with a graduation ceremony on Friday.

Safety Town is offered to children ages **4 & 5 only**, and there will be NO REGISTRATION FEE.

Fill in the registration form and mail, e-mail, or bring this form to the Greater Hamilton Safety Council, 400 N Erie Blvd. Hamilton, Ohio 45011. Session hours are 10:00 a.m. till 12:00 p.m. There are only 36 openings for each session. The sessions are assigned on a first come basis.
